**RECEIVER'S FIFTEENTH REPORT OF RECEIPTS AND
EXPENDITURES AND REPORT OF ACTS AND TRANSACTIONS**

The Receiver, Bradley W. Skolnik, hereby submits the Receiver's Fifteenth Report of Receipts and Expenditures and Report of Acts and Transactions.

Background

1. On July 26, 2005, this Court entered an Order of Permanent Injunction and Other Relief in which it appointed Bradley W. Skolnik as the Independent Monitor to oversee various facets of the operations of several of the Defendants in this proceeding.
2. On December 20, 2005, this Court entered its Order Granting Plaintiff Securities and Exchange Commission's Motion to Convert Monitorship to Receivership (the "Receivership Order"). Pursuant to this Court's Receivership Order, as amended, Bradley W. Skolnik was appointed as the Receiver in this action and was authorized to employ the law firms of Stewart & Irwin, P.C. and Harrison & Moberly, LLP, and the accounting firm of BGBC Partners, LLP, to assist him.

3. This Court's Receivership Order directs that the Receiver shall file with the Court an inventory of all property and assets within sixty (60) days after his appointment as Receiver.

4. This Court's Receivership Order further provides that within 30 days after the filing of the inventory, and at regular intervals of three (3) months thereafter until discharged, the Receiver shall file reports of his receipts and expenditures of the receivership and acts and transactions performed in his official capacity as Receiver.

5. The Receiver timely filed the Receiver's first fourteenth reports of receipts and expenditures and acts and transactions in this matter. Pursuant to the Receivership Order, the Receiver's Fifteenth Report of Receipts and Expenditures and Acts and Transactions is due at this time.

Fifteenth Report of Receipts and Expenditures

6. The Schedule of Gross Receipts and Operating Costs and Disbursements of the Receivership for the period beginning July 1, 2009 through September 30, 2009 as well as the period since the inception of the Receivership on December 20, 2005 through September 30, 2009 is attached hereto and incorporated herein as Exhibit A.

7. Beginning with the Eleventh Report of Receipts and Expenditures, the accounts in the Schedule of Gross Receipts and Operating Costs and Disbursements of the Receivership have been reclassified to correspond with the terms of the Approved Alternative Alanar Receivership Plan adopted by this Court. Under the plan, the Alanar bond issues are divided into one of three categories, designated as either "Category A", "Category B." or "Other." Category A bond issues consist of those bond issues that have filed an election agreement with the Receiver as of April 14, 2008 and are either current in their payments or have paid off their entire obligation in full. On June 11, 2009, this Court entered an order authorizing the Receiver to make partial

distributions to investors in the Category A bond issues that are fully paid off. Meanwhile, under the Approved Alternative Alanar Receivership Plan, the sums collected and held for the benefit of the investors in the Category B bond issues, as well as the investors in the Churchmen's Bond Funds, are now pooled into a common fund (the "Common Fund").¹ Distributions from the Common Fund to investors in the Category B bond issues and the Churchmen's Bond Funds will be made on a pro rata basis in accordance with each investor's Adjusted Net Investor Claim ("ANIC"). Any bond issues not subject to treatment as a Category A or Category B bond issue will be treated as "Other." See Receiver's Response to Request by the Special Master to the Receiver for Clarification of the Status of Certain Bond Issues (Docket No. 842).

8. On December 15, 2008, the Receiver filed a motion seeking authorization to make an initial distribution of \$10 million from the Common Fund to investors in the Category B bond issues and Churchmen's Bond Funds. The Court granted the motion on January 9, 2009. On or about February 17, 2009, payments were mailed in accordance with this Court's order to investors who have claims against the Common Fund. At the time of the Court's order, there were over 5,000 investor accounts with claims (the aggregate amount of each investor's ANIC) of about \$86 million against the Common Fund. This initial distribution of \$10 million to investors therefore represents a payout of approximately 11 % of each investor's claim against the Common Fund.

9. The Schedule of Gross Receipts and Operating Costs and Disbursements of the Receivership reveals that during the period from July 1, 2009 through September 30, 2009, the

¹ The Schedule of Gross Receipts and Operating Costs and Disbursements of the Receivership, therefore, include a reclassification of sinking fund payments and payoffs received for Category B bond issues. In conjunction with the Approved Alternative Alanar Receivership Plan, the Category B bond issue proceeds and repayment accounts have been consolidated and pooled into the Common Fund.

Common Fund had gross receipts of \$4,203,147.² Operating costs, consisting in large part of payroll, forced place insurance and administrative expenses totaled \$92,640, resulting in an excess of receipts over operating costs from the Common Fund of \$4,110,507 for the period from July 1, 2009 through September 30, 2009. Since the inception of the Receivership on December, 20, 2005 through September 30, 2009, the accounts that now comprise the Common Fund had gross receipts of \$25,890,101. Operating costs paid from the Common Fund since the inception of the Receivership on December 20, 2005 total \$4,708,608, resulting in an excess of receipts over operating costs of \$21,181,493 during the period from December 20, 2005 through September 30, 2009. A total of \$10 million in disbursements to investors has also been paid from the Common Fund since the inception of the Receivership, resulting in an excess of receipts over operating costs and disbursements to investors of \$11,181,493.

10. The Common Fund balance, as of September 30, 2009, is approximately \$22,894,635. The remaining investor claims against the Common Fund, following the distribution from the Common Fund to investors authorized by this Court on January 9, 2009, now total approximately \$76,000,000. The Receiver anticipates that he will soon be seeking authorization from this Court for authority to make another distribution from the Common Fund to eligible investors and trade creditor claimants.

11. The Schedule of Gross Receipts and Operating Costs and Disbursements of the Receivership also further reveals that during the period from July 1, 2009 through September 30, 2009, the Category A Bond Issue accounts had gross receipts of \$3,273. Since the inception of the Receivership on December, 20, 2005 through September 30, 2009, the Category A Bond Issue accounts had gross receipts of \$19,937,180.

² This includes \$4,094,104 of payments received from Category A bonds owned by the Churchmen's Bond Funds, the proceeds of which have been deposited into the Common Fund pursuant to the Approved Alternative Alonar Receivership Plan, as amended.

Report of Activities and Transactions

Implementation of Approved Alternative Alanar Receivership Plan

12. On August 28, 2007, this Court adopted the Approved Alternative Alanar Receivership Plan. Copies of the Approved Alternative Alanar Receivership Plan were mailed to all investors and issuers and are available on the Receiver's website.

13. The Receiver, the Defendant paying agents, and the Receiver's counsel and accountants have worked with counsel for the Terre Haute State Bank and First Security Bank, as well as representatives of Alanar Rehab, Inc., to implement the provisions of Approved Alternative Alanar Receivership Plan adopted by the Court. Pursuant to Article IV of the Approved Alternative Alanar Receivership Plan, the Receiver made a series of payments totaling \$195,000 to the Terre Haute Savings Bank, First Security Bank and Alanar, Rehab, Inc. The staff of the Defendant paying agents, the Receiver and the Receiver's accountants have met with and continue to provide information to the representatives of Alanar Rehab, Inc. in an effort to provide it with the information Alanar Rehab, Inc. needs to perform its duties under the terms of the Approved Alternative Alanar Receivership Plan.

14. Under the terms of the Approved Alternative Alanar Receivership Plan, the Alanar bond issues are divided into one of three categories, designated as either "Category A", "Category B" or "Other" bond issues³ The Receiver timely filed the Receiver's Motion for Designation of

³ Category A Bond issues consist of those bond issues that have filed an election agreement with the Receiver as of April 14, 2008 and are either current in their payments or have paid off their entire obligation in full. Investors in the Category A bond issues will soon be receiving additional information regarding the future administration of and the distributions to investors to be made from these bond issues.

Under the approved plan, the sums collected for the benefit of the investors in the "Category B" bond issues, as well as the investors in the Churchmen's Bond Funds, are pooled into a common fund (the "Common Fund"). Distributions from the Common Fund to investors in the Category B bond issues and the Churchmen's Bond Funds will be made on a pro rata basis in accordance with each investor's Adjusted Net Investor Claim (ANIC). An initial distribution of \$10 million from the Common Fund to investor was made pursuant to this Court's order entered on January 9, 2009. Any bond issues not subject to treatment as a Category A or Category B bond issue will be treated

Category B Bond Issues Pursuant to Approved Alternative Alanar Receivership Plan on June 12, 2008.

15. On May 5, 2008, this Court entered an order adopting an investor claims procedure that will be utilized to implement the terms of the Approved Alternative Alanar Receivership Plan. Pursuant to the Court's order the investors in the Category B bond issues were timely sent the necessary forms setting forth the Receiver's calculation of their Adjusted Net Investor Claim ("ANIC"). The Receiver, his accountants and the staff of the Paying Agent Defendants devoted a substantial amount of time in preparing for the issuance and mailing of the ANIC forms to over 10,000 investors in the Category B bond issues.

16. A substantial amount of time and resources have been devoted to the administration of the investor claims procedure adopted by this Court. Investors who disagree with the calculation of their ANIC had until August 15, 2008 within which to submit a Request for Redetermination to the Receiver. A total of approximately 570 Requests for Redetermination were submitted by investors. Following the receipt of a Request for Redetermination from an investor, the Receiver conducted an inquiry into the issues raised by the investor and issued a Final Determination Notice. Investors who disagree with the Receiver's Final Determination Notice were entitled to request a review of the Receiver's determination by filing a written Request for Adjudication with the Court within (30) thirty days from the date of the issuance of the Final Determination Notice. Approximately 100 investors filed Requests for Adjudication. This Court appointed Charles Bruess as a Special Master to recommend resolution of investor Requests for Adjudication. On July 22, 2009, Special Master Bruess entered a Scheduling Order for Those Investors That Have Filed Requests for Adjudication by the Court and That Desire to Have a

Further Evidentiary Hearing. During the weeks of August 24 and 31, 2009, Special Master Bruess held more than 25 hearings for investors who had requested hearings on their Requests for Adjudication.

17. On June 11, 2009, this Court entered an Order Granting the Receiver's Motion to Modify Approved Alternative Alanar Receivership Plan and Authorize Partial Distributions to Holders of Certain Category A Bonds. The Court's order specifically authorizes the Receiver to make partial distributions to investors in the Category A bond issues that are fully paid off. Eligible bondholders were sent the necessary paperwork to be completed and returned so that they may receive payment. Pursuant to this Court's June 11, 2009 order, approximately \$13,107,578 was distributed directly to investors in the Category A bond issues and another \$4,094,104 was paid to the Common Fund in connection with Category A bonds owned by the Churchmen's Bond Funds.⁴

18. On June 12, 2009, this Court entered an order granting the Receiver's motion to adopt a trade creditor claims procedure. Pursuant to the Court's order, information regarding the trade creditor claims procedure, including Proof of Claim Forms, was sent by the Receiver to all known trade creditors and bond issuers. Notice of the trade creditor claims procedure was also published in the national edition of the USA Today newspaper. In addition, information regarding the trade creditor claims procedure, including directions on how to submit a claim, was timely posted on the Receiver's website. Trade creditors or bond issuers seeking to submit a claim in accordance with the trade creditor claims procedure adopted by this Court were required to submit a properly completed Proof of Claim on or before the Claims Bar Date of August 26, 2009. A total of 45 Trade Creditor Proofs of Claim were filed with the Receiver.

⁴ Under the terms of the Approved Alternative Alanar Receivership Plan, the proceeds from the Bond Funds are deposited into the Common Fund.

19. As noted above, on December 15, 2008, the Receiver filed a motion seeking authorization to make an initial distribution of \$10 million from the Common Fund to investors in the Category B and Churchmen's bond funds. The Court granted the motion on January 9, 2009. In mid February 2009, initial payments were mailed to investors.

20. On December 23, 2008, the Receiver filed a Motion to Prohibit Distributions to Reeves Defendants and Joint Account Holders. The motion requests the Court to prohibit any bondholder distributions based on accounts held individually or jointly with their spouses by the Defendants Vaughn A. Reeves, Sr., Vaughn A. Reeves, Jr., Jonathan Christopher Reeves and Joshua Craig Reeves. This Court granted the motion on January 13, 2009.

Public Sales (Auctions) of Real Estate

21. The Receiver has conducted public sales (auctions) pursuant to 28 USC §§ 2201 and 2202 of the following parcels of real estate owned or controlled by the Receivership estate:

<u>Parcel</u>	<u>Date of Public Sale</u>	<u>Sale Price</u>

22. In addition to the aforementioned public sales of real estate, the Receiver has sold the following parcels of real estate owned or controlled by the Receivership estate pursuant to orders entered by this Court:

<u>Parcel</u>	<u>Date of Sale</u>	<u>Sale Price</u>
2015 – 2031 North Bend Road Cincinnati, Ohio	May 30, 2006	\$500,000

Payoffs of Indebtedness By Issuers and Borrowers

23. The Receiver and his counsel have spent a considerable amount of time responding to communications from and working with issuers that are interested paying off, working out or otherwise settling their indebtedness on the bonds. Because of the Receiver Defendants' widespread instances of misapplication and/or inappropriate co-mingling of funds in bond proceed and repayment accounts, the misuse and misapplication of monies in the bond funds, the failure to comply with accepted accounting standards and confusion occasioned by the myriad number of transactions that must be scrutinized, this has proven to be a challenging task for the Receiver, the accountants and the staff of Guardian who are assisting the Receiver and the accountants.⁵

⁵ In addition, pursuant to the terms of the Approved Alternative Alanar Receivership Plan, representatives of Alanar Rehab, Inc. are also in contact with and are assisting church bond issuers that may be interested in obtaining third

Since the inception of the Receivership on December 20, 2005, the Receiver has received full payoffs of indebtedness from a total of 43 bond issuers. The list of bond issuers that have paid off their indebtedness in full is attached hereto and incorporated herein as Exhibit B.⁶

24. Prior to the initiation of this action by the Securities and Exchange Commission, the Receiver Defendant, Churchmen's Capital Group, Inc., made a series of unsecured loans and advances to the New Hope Baptist Church, Inc., of Loveland, Ohio. On January 3, 2006, the New Hope Baptist Church, Inc. paid Churchmen's Capital Group, Inc. the full amount of \$881,924.85, due and owing in connection with these loans. In addition, on May 18, 2007, the Eastside Church of Christ of Terre Haute, Indiana paid Churchmen's Capital Group, Inc. the full amount of \$19,335.35 due and owing pursuant to an unsecured promissory note dated August 10, 2000.

Sales of Personal Property

25. The Receiver Defendant, AIC Aviation, Inc., owned several vehicles for which it has no need. Therefore, On August 24, 2006, the Receiver filed Receiver's Petition for Authority to Conduct Auction of Vehicles Owned by Receiver Defendant AIC Aviation, Inc. The Court approved this motion on September 15, 2006 and the Receiver received net proceeds of \$28,315 from the sale of six vehicles conducted by the auctioneer.

party financing to pay off their indebtedness. The Receiver, the Receiver's accountants and the Guardian staff have periodically communicated with and continue to provide Alanar Rehab, Inc. with the information it needs to perform its duties under the Approved Alternative Receivership Plan.

⁶ Please note that not all bond issuers that paid off their indebtedness necessarily qualify as Category A bond issuers under the Approved Alternative Alanar Receivership Plan. In order to qualify as a Category A bond issuer, an issuer is required to satisfy the criteria set forth in the Approved Alternative Alanar Receivership Plan, including the requirement that the Category A Election Agreement be submitted by the "Determination Date" of April 14, 2008. In addition, where warranted by the facts of a given case, the Receiver has also sought approval to accept reduced or partial payments from issuers in full satisfaction of their indebtedness. See Docket Nos. 539, 540, 594, 610, 696 and 697.

26. In addition, AIC Aviation, Inc. also owned a Mitsubishi MU aircraft. On October 15, 2007, the Court entered an order authorizing the Receiver to engage the services of an aircraft broker to sell the plane. The aircraft was sold to Turbine Aircraft Marketing, Inc. on March 18, 2008 for the sum of \$140,000. Following the satisfaction of a substantial mechanics lien on the aircraft for services rendered to AIC Aviation prior to the filing of this action and the payment of brokerage fees and other miscellaneous expenses, the net proceeds received by the Receiver from the sale totaled \$87,940

27. In conjunction with the public sale of the three parcels of real estate located in Sullivan, Indiana on January 24, 2008, the Receiver also auctioned off miscellaneous items of personal property owned by Alanar, Inc. and its related entities. The gross amount received at the January 24, 2008 public sale of these miscellaneous items of personal property totaled \$9,978.

Legal Proceedings

28. The Receiver and his counsel have been required to devote a significant amount of time to pending or threatened litigation and legal proceedings involving the Receiver Defendants.

29. On June 21, 2006, the Receiver filed the Receiver's Motion to Remove Indenture Trustee in which it requested the Court to remove the Southern Michigan Bank & Trust ("SMBT") as indenture trustee for all bond issuances at issue in this litigation for which it is served as trustee. On November 6, 2006, this Court issued an Entry on Motion to Remove Indenture Trustee granting the Receiver's Motion to Remove Indenture Trustee. Upon approving the Receiver's proposed form of notice to investors and issues of the fact that SMBT was being removed as indenture trustee, this Court formally entered an Order Removing Indenture Trustee on November 17, 2006. Pursuant to this Court's Order, the Receiver sent notices to all bondholders

and issuers for all of the bond issues on which SMBT has served as indenture trustee in the form and manner approved by the Court.

30. On March 20, 2006, eight former of employees of Toddler Town Children's Ministry Inc., d/b/a Indiana Hope Services ("Toddler Town), an entity controlled by the Reeves Defendants, filed an action for unpaid wages against Toddler Town as well as the Receiver Defendants, Northstar Development Corporation and Alanar, Inc. Based upon his analysis of this matter, the Receiver settled this case for the sum of \$17,000 and the action was dismissed on February 8, 2008.

31. On July 30, 2008, two plaintiffs filed a personal injury action in the State of West Virginia against the Receiver Defendant Guardian Services, LLC in connection with injuries allegedly sustained on real estate owned by an Alanar bond issuer, Pine Valley Foundation in Berkeley Springs, West Virginia. Plaintiffs apparently contend that Guardian Services, LLC took legal title to the real estate pursuant to a deed in lieu of foreclosure executed in 2004 and recorded in early 2005. The Receiver denies that Guardian Services, LLC is the lawful owner of the real estate for the reason that a deed in lieu of foreclosure executed back in 2004 was defective. It is the Receiver's position that Guardian Services, LLC is therefore not liable or responsible for any damages sustained by the Plaintiffs while on the property. Consistent with its position that Guardian Services, LLC is not the owner of the real estate, the Receiver recently filed a Complaint for Declaratory Relief in the Morgan County, West Virginia Circuit Court to confirm that: (1) the Pine Valley Foundation is the current owner of the property; (2) the Receiver has a valid and enforceable lien Deed of Trust on the property that is superior to any other liens; and (3) the Receiver may exercise his rights under the Deed of Trust, including the right to foreclose upon the real estate.

Communications With Investors

32. The Receiver has periodically sent mass mailings, including Court-ordered notices, to investors and other interested parties updating them on the status of this proceeding.

33. Because of the substantial costs that are incurred in connection with any first class mailing to over 10,000 investors, the Receiver has established a webpage regarding this matter on his law firm's website at www.alanarinfo.com. The webpage contains links to copies of pertinent court filings, accountants reports and other matters of interest to investors.

34. The Receiver has, on occasion, met with representatives of the aforementioned Bondholders Committee and Alanar Rehab, Inc. to discuss the status of the case.

35. The Receiver continues to field numerous calls and inquiries from investors and/or their counsel regarding the status of this matter. Because of the large volume of investor inquiries, the Receiver has, from time to time, utilized the services of one of his law firm's paralegals to help respond to calls and inquiries from investors.

WHEREFORE, the Receiver hereby respectfully submits this Receiver's Fifteenth Report of Receipts and Expenditures and Report of Acts and Transactions.

Respectfully submitted,
